Launch Services Guidelines for Phase A

- **Provide rationale for Launch Vehicle(s) selection – note any changes from the proposal**
- **Required to maintain compatibility with both Delta IV and Atlas V through the Phase A study**
- **KSC ELV Performance Web site**
 - <http://elvperf.ksc.nasa.gov>
- **Launch Services cost figures and profiles provided in the PKB Library have not changed**
 - **Study teams should use same costing approach for launch services as in proposal**
- **Status of the EELV Development Program has not changed since Pre-Prop Conference**
 - **Still targeting first flights of Delta IV and Atlas V during first half of 2002**
